**BOROUGH OF BRENTWOOD  
LEGAL NOTICE  
ALLEGHENY COUNTY  
EQUAL OPPORTUNITY EMPLOYER**

## **NOTICE OF PUBLIC COMMENT**

BOROUGH OF BRENTWOOD  
OF  
ALLEGHENY COUNTY, PENNSYLVANIA

The Borough of Brentwood is soliciting comments on a Draft Total Maximum Daily Load (TMDL) Narrative and Strategy Plan. The Permit for the Borough's Municipal Separate Storm Sewer System (MS4) requires Brentwood to develop a TMDL Strategy and make this plan available for public review and comment. The TMDL Strategy is available for review at the Borough Office.

Sawmill Run (SMR) is in the Ohio River Basin which is located within Allegheny County, Pa. Approximately 1,114 acres (6.59% of MS4 area, 3.04% of overall watershed) of which are located in the Borough. Following the guidelines of Section 303(d) of the Clean Water Act for TMDLs, the United States EPA established a TMDL in Whitehall for Sediment in 2007 and for Nutrients in 2008.

The purpose of the TMDL Strategy is to discuss the methodology used by the Borough of Brentwood to reduce or eliminate the sources of Sediment and Nutrients to meet water quality standards.

Comments on the draft plan must be filed in writing no later than 30 days after the publication of the formal notice. Comments should be clearly marked "TMDL Narrative and Strategy Plan" and either mailed, hand delivered or discussed during the comment period of a public meeting. All comments which are mailed or hand delivered should be delivered to the Brentwood Borough Building, 3624 Brownsville Road; Pittsburgh, PA 15227; Attention George Zboyovsky, PE, Borough Manager.
