On this date _____, I, being owner/occupant of the property located at _____, Borough of Brentwood, County of Allegheny, State of Pennsylvania, do hereby willingly authorize the Borough of Brentwood and its agents/employees to install or place on this property a rodenticide in the manner deemed most effective by the Borough and its agent/employee for the extermination and control of rodents such as rats and mice. I am fully aware that only qualified personnel, such as the Borough employees distributing this information, can be expected to handle this rodenticide safely and with minimal hazard to the public. I am also aware that this rodenticide can be a safety and health hazard if it is used improperly. It can kill non-target organisms such as dogs, cats, and other pets if ingested in sufficient quantities.

I do _____, do not _____ own a household pet. I verify that I will adequately control my pet during the baiting period. I am aware of the locations where bait was placed on my property.

I, therefore, agree to absolve the Borough of Brentwood, its agents/employees, of any responsibility or liability in this matter.
