THE OPIOID EPIDEMIC

BRENTWOOD HIGH SCHOOL AUDITORIUM
Prevention - Education - Community Resources

August 22, 2017
6:00pm - 9:00pm

The Opioid Epidemic is real and it's in our backyard. Join us for an evening of education about warning signs, prevention, & treatment options. Prepare yourself and your loved ones, so that you will be able to navigate the obstacles we face, and offer support to those in need. Come together for a community event of interactive workshops, didactic lectures, and Q & A with the local leaders in fighting the epidemic. Workshops begin at 6pm, lectures to follow at 7pm. (age appropriate for 12+)
