PUBLIC WORKS MONTHLY REPORT FOR FEBURARY 2015

There were 12 overtime call outs due to snow removal which includes plowing and or salting the roads. Following the snow events our crew salted and or shoveled the walkways and steps. We also spot salted in various roads due to a spring and removed a build-up of ice on Dalewood. We used around 600 tons of salt for the month

Maintenance to the trucks consisted of repairing a PTO switch on Unit 2, cleaning the trucks and greasing them weekly, and also making repairs to the hydraulic lines for the plows and spreaders when needed.

8 tons of cold patch was used to patch potholes.

An old garage was torn down on Brevard as requested by the code officer.

Work at the borough building consisted of repairing a leaking boiler pipe, reconnected the mic for the council chambers, repaired plumbing in cell number 2 and 3, ran new computer lines for the recreation computer and finance director, installed new AED's pads which had expired, and washed down the walls in the bathrooms and hallways.

28 sanitary manholes were inspected

Work in the park consisted of picking up litter, tree limbs, starting to make minor repairs to the equipment, emptying the garbage cans, and snow removal when needed. The sidewalk where the new water valve was filled in with cold patch until the water company makes a permanent repair to the sidewalk.

Respectfully submitted,
Robert Mackewich
