PUBLIC WORKS MONTHLY REPORT FOR JULY 2015

The sweeper was used and we collected 40 yards of road debris, which equals two 29 yard dumpsters.

The stage was put for the Concert in the Park, event was worked, and stage removed.

Asphalt patching consisted of filling holes on: Threnhauser Path, Threnhauser near Cloverlea, Threnhauser at Tuxey, Old Clairton, Delco, Lanmore, shadewell, East Brentridge, and milled asphalt was used on Auto Way, Brentwood Ave Ext., and Wanley.

Our right of ways was cut along with 11 properties (2908 Brevard, 2925 and 4065 Brownsville Road, 4040 Dalewood, 103 East Garden, 61 Bellanca, 3037 Glendale, 313 Lawnwood, 214 Newburn, 4584 East Willock, and 4019 Cloverlea) as requested by the code department.

The 4th of July prep was completed by installing the stakes for “no parking”, barricades were constructed and put out along with garbage containers, the crew worked the 5 K Race and cleaned up afterwards, two men worked the fireworks display by setting up caution tape where needed, and set up a temporary lighting for the removal of the fireworks equipment. Clean up was performed on the 5th of July. Banners, decoration by the borough building, and most of the flags were removed from Brownsville.

Two handicapped spots were installed, 2 new stop signs were installed on Shadewell at Marylea and Dauphin at Hillson, and a parking meter was repaired on Brownsville.

An Ethernet line was pulled from ticket booth to the bathroom/concession utility room. The fields were cut, groomed and lined, general clean up around the park each day, grass was cut, grass was removed from the 1st and 3rd baselines and the infield mix was added, a rubber bushing was installed where the pool pump meets the electric motor,.

Respectfully submitted,
Robert Mackewich
