**Members of Brentwood Borough Council**

**Ladies and Gentlemen,**

Attached you will find the breakdown of calls handled by Brentwood Emergency Medical Services during the Month of April 2012.

In April we responded to a total of 174 calls both emergency and non-emergency type calls.

Our average response time to calls dispatched in the Brentwood area was 1.8 minutes to a residence upon request.

The report breaks down the response outcome of every call we handled. During the month we transported a total 129 patients.

We had a total of 11 refusal of transport calls during the month.

Fyi when we are not available to handle a call we use mutual aid. Those services are Baldwin Ems Station 510, Medical Rescue Team South Station 780, Munhall Prehospital Services Station 630, and Jefferson Hills Area Ambulance Station 590. We also will use the City of Pittsburgh Ems Station 50, Tri-Community South Ems Station 820, and Elizabeth Township Ems Station 520 if those agencies listed above may not be available. Attached is the run card that is at County 911. We work very close with all of these agencies and they also honor our subscription as we theirs.

In April a total of 3 calls were handled by mutual aid services for us

Any questions feel free to contact us.
