Other Police Business;

1. As I reported last month, one officer will be off-duty for an extended period of time after undergoing surgery on January 2<sup>nd</sup> for a work related injury. In addition, I recently received information that a newly hired officer will be resigning and taking a position with another police department.
2. As soon as I receive applications for the position of, Crossing Guard, I will begin the process of hiring two addition guards to replace the two who resigned.
3. Brentwood officers have made several drug arrests within the borough in the past several weeks. One arrest took place at a business located on RT 51 resulted in the seizure of over 100 bags of heroin.
4. I attended a SHACOG Chief's meeting in Scott Twp, on January 2<sup>nd</sup>, and we are planning additional training exercises for the officers on responding to shooting incidents. The training is scheduled to take place on a Sunday at the South Hills Village shopping mall.
5. I have made arrangements for all officers to take their yearly mandatory training tests on-line. This practice will save the borough a substantial amount in overtime costs.
