

**BOROUGH OF BRENTWOOD
EXCLUSION FROM DOOR-TO-DOOR
SOLICITATION REQUEST FORM**

Borough residents are advised that an Ordinance regulating peddling and soliciting within Borough boundaries is in effect.

Federal laws and recent court decisions permit solicitation to continue until 9:00 P.M. Residents who prefer not to be solicited may complete an "Exclusion from Solicitation Request" form available at the Brentwood Borough Municipal Building or simply return the following sheet. Upon receipt of this request, the Borough will issue a "No Solicitation" sticker to the resident that can be affixed to any window or door. The resident's address is also added to a list of restricted street addresses, which is given to solicitors and peddlers upon the issuance of a solicitation permit from the Borough.

Please note that the Ordinance does not apply to certain political and nonprofit organizations, nor does it apply to children and students under the age of 16 who take orders and delivery products to support school or organizational functions.

EXCLUSION FROM SOLICITATION REQUEST

I request that my address be included on the "No Solicitation" list that is provided to all peddlers and solicitors that are permitted by Brentwood Borough. It is my understanding that the list will include only my street address and will reveal no additional information.
